Mr. Manley;

I sent in a written request to my employer ~~of~~ for a month and a half's leave. But here's the way he approved. He said that it would be O.K. but due to the increasing return of former employees from the armed forces, there would be no guarantee of a job on my return, so I'm deciding to remain here.

About the date I leave camp, that will be August sixth.

Sincerely

Francis Mathews
